Hi Tod and Matt - I'm going to be out of the office starting Wednesday 2/15, returning Monday 2/27. Will you be around during most of that time, and if so would you be generally available if my management or program clients here have NHPA questions? I don't anticipate any coming up, though it's possible that there will be questions raised during the Dewey Burdock permitting process. I understand that issuance of the proposed permit is imminent there, but we have the NHPA memo to file prepared and it will be available for public review during the comment period.
